

Meeting Minutes

DLC Industry Advisory Committee Meeting Q4 2021

December 8, 2021

1:00pm – 3:00pm EDT

Welcome & Agenda Review

Program Updates:

- LUNA-Final policy release
Reported on LUNA development goals and reviewed the LUNA development timeline.
- Application system rollout
Introduced plans for the new application portal for SSL and Hort apps beginning end of Jan 2022 with NLC apps launching Q1 2022.
- D2Di (device to device interoperability)
Reported on D2Di feedback received from IAC Q3 meeting. Also talked about beginning with small steps using industry standards and previewed wireframe examples of what D2Di reporting might possibly look like.
- QPL enhancements
Reported added functionality updates on QPL.
- Hort Updates
Hort V3.0 topics finalized: PPE, application-oriented requirements, fixture-level controllability and surveillance testing program, and reviewed the development timeline.

Follow-up from Q3 Meeting:

Outcomes of IAC Q3 meeting on decarbonization discussion presented and gave a summary on the Jamboard responses.

Subcommittee Report-Outs:

- Outdoor Lighting Strategy
The subcommittee reviewed outdoor market research study outcomes and discussed light pollution messaging in LUNA.
- Utility Program Design
Subcommittee discussion of EE program best practices and how to document these, goals, target audiences, and examples.
- Integrating NLCs Programs-no meeting or report-out
- Smart Building/Smart Lighting-no meeting or report-out

2022 DLC Plans:

- 2022 Initiatives & high level goals presented
Reviewed the following initiatives for 2022:
 - Integrate controlled lighting into the built environment
 - Transition the market to connected and networked lighting
 - Transform horticultural lighting from the ground up
 - Address light pollution without compromising efficiency
 - Broaden impact in new and emerging markets, focus on under represented communities

- *New: Infrastructure investment & Jobs Act – opportunity for LED lighting
- DLC6 – Topic review in Q1, development timeline
- Future of Subcommittees-A poll will be sent to members to give feedback on the future of subcommittees in 2022

IAC Representation

- Poll on representation from affiliated companies now that companies have merged and affiliated. Will send poll to the group since time did not allow in the meeting.

Next meeting – doodle polls will be sent for best dates for quarterly meetings.
